

Description of Data Processing at Mandatum Life Services Ltd regarding supplementary pension liability calculations

Contact Information for the Data Processor

If you have questions about data protection, you can contact [the customer service of Mandatum Life](#).

The Purposes for the Processing of Personal Data

The employer of the member has provided its employees a supplementary pension based on the Act on Pension Funds or the Act on Insurance Funds and the fund uses the services of Mandatum Life Services Ltd. The processing of personal data is necessary for organizing the supplementary pensions, to calculate the pension liabilities, to provide customer service for the insured and the beneficiaries and to manage the data of the data subjects.

Each fund is the data controller and Mandatum Life Services Ltd is the data processor. The processing of personal data is based on a service contract with Mandatum Life Services Ltd.

Categories of Data Subjects

- Members of the funds serviced by Mandatum Life Services Ltd.

Retention Periods of Personal Data

Member data is stored for 13 years after the last claim has been paid. Call recordings are stored for 10 years. Information related to taxation, accounting and reporting obligations is stored for 6 years after each fiscal year.

Categories of Personal Data
